

TAKE IT FROM ME

Take it from me / Poppers, disco / 1980's San Francisco / Steve Lady, Bambi / At the Crystal Pistol / I liked it better /
Before you took it from me / Take it from me /
Met a big boy in Illinois / Beercan dick in his corduroys / When we were finished fucking / He told us he was married
to a woman / Take it from me /
You like to watch / You like to listen / But we'll never let you in / You're not a part of us / You're not as smart as us /
But you take it over and over and over /
Take it from me / You'll never take it from me /

SHOWGIRLS

Don't say maybe / Underrate me / Conversational, masturbational / Just the two of us / We're the stupidest / Just an
arsenal / Nothing personal /
Once shy / Twice bit / Three strikes / You gotta use spit / If you wanna get used to it / Don't say maybe / When you
take me / Turn an amateur / To a connoisseur /
Take it easy kid / Don't be saving it / Spend it while you're here / Buy a souvenir /

I FEEL GOOD

I feel good, I feel great / In these United States / I could go anywhere / But I stayed anyway / We turn water to wine /
We're so good on the vine /
In the mirror, you and me / We are looking divine / I feel good I feel great / In these United States / My skin is aglow /
But I am fucking insane / You tell me you got something /
To settle me down / Yeah you know I'm alive / When I open my mouth / Okay? / I'm best when I'm tested / And put in
my place / But when you shut my mouth /
I got so much to say / Yeah I'm proud to be loud / And so up in your face / But you're looking real scared / So I'll stop
just in case / Yeah you can't win 'em all /
But you want so bad to / And the winner in me / Loves the lover in you / See the trophy's obnoxious / I want it of
course / Try not to be toxic / Just take it, it's yours / Okay? /
I feel good I feel great / In these United States / You wanna fuck it up / Baby I can relate / You and me all the time /
Still feels good when we ride / Windows down / Let 'em see /
We've got nothing to hide / I feel good I feel great / In these United States / What's the purpose / Of hiding and
wasting away / If they say they got something /
To tone us all down / Step it up make it loud / And just get fucking proud / Ok! / I feel good /

HAUTE COUTURE

Baby wanna cigarette / Wearing haute couture / In a Dover Street basement / We got robbed in a safe space / They
took everything / Got drinks while we played /
Cause they're waitin on the drag queens / But it's all the same / I mean it / It's all the same to me / We the people fuck
in bathrooms / And in backrooms /
They're our classrooms / Don't like what you see? / Don't you fuckin' look at me / We're good up here in the
nosebleeds / Even up this high, we see things /
Things you wouldn't dream of / Things you couldn't dream of / All talk, no show / Big step, you know / Fist up, be
strong / Backseat, singalong / Sugar, cinnamon /
Unfit regimen / And the way the words all sound again / Wasted, lost and found / Art show, shut it down / Criss cross,
applesauce / Ponytail, lip gloss /
Sweet spot, Novacaine / Show off, Daggett Lane / Bye bye, see you /

PIGGY

Here piggy piggy / You're coming off sad / You wanna three-way / Really really bad / I would say yes but / You don't
go with our outfits / Here piggy piggy / We told you no
Torso picture in your profile photo / You gotta show more / Is your face a foreign concept / Hi, hi, hi, hi 70 times / Still
no response on the 79th / Why don't you take your phone
And flush it down the toilet / ABCDEFGHIJKLMNOPQRSandTUVWXandYandZ / This is my reply / Cause you sound
like a fucking idiot / You gotta first love you /

If you wanna fuck me / Then we'll talk about it / Most definitely / Here piggy, piggy we're coming to town / Huff and puff and we'll blow your house down /

KIDS

I don't get the references / But I get the message / This will go on and on / Just like the questions / What can I say? / Can I say / Take a minute / To get with the pronouns
Take a minute / To listen to kids / Cause the grownups / Are kind of a letdown / In a minute / You'll be happy you did / I care about appearances / Just a preference
I basically like to be wrong / Just with questions / Can I say? /

FEELINGS

Are you feeling sad enough / When the credits roll / Are there tears of happiness / Do they fill a hole / Pinch yourself till you can feel it / Self medicate till you heal it /
Smiling now with us / Do you get the joke? / Cry lots, laugh more / Get comfortable with your feelings / Take a beat and listen / When you listen then you grow /
Wanna fight back? / You should give back / I hear you talking tough / Take a beat, take a beating / Gotta know when enough's enough / Gotta tendency to underestimate /
Gotta tendency to overrate / Take a breath in for a second / You'll know when enough's enough / Cry lots, laugh more / Get comfortable with your feelings /
You gotta step up to the plate / You gotta send that fucker home / Live life, be kind / Kick back, quit trying / Fuck lots, stay cool / Get comfortable with your feelings /

GLORYHOLE

Beefcake motorcade / Fixate, fixate / Heels on halloween / Fucking up the night scene / "I'm dead" / Straight girl motorcade / Sashay, sashay / You look serene /
But you just want content / Lumped in, left out / But I wanna look the same as you / Punch in, punch out / Sorry boy you're not gettin' through / Gloryhole in the wall /
Baby, what's the protocol? / Kinda hard to feel it all / Standing up against the wall /

WHO COULD KNOW

Go out, stay in / I wanna get stupid / Oh no, here we go / It's not enough / And I'm feeling low / He looks good / He looks back / He smiles at me / And I'm liking that /
No shirt, sweatpants / Summertime romance / Could we go back before / Was it better / Who could know / Lie around, sleep in / I feel so stupid / Oh no, here we go /
Another year / But I'm still in love / No shirt, sweatpants / Wintertime romance / Buford, P-Town / Oxnard, Los Angeles /

HUSH

Tear it up / Make a scene / We could end up on the cover of a magazine / Shake it up, me and you / The thing that chases us is also what's in front of you /
Play it cool, what the hell / Walk away and let the orchestra conduct itself / Take a pass, lose control / Make the rules / What's behind the door / What's between the sheets /
If the walls could talk / Then the walls would scream / Whisper in the dark / Tell me what you need / No one's gotta know / Keep it just between us / Hush /
Spit in my hand / Wet the tip and / Don't let 'em see what we're doing at the drive-in / We can play it loose / But we wear it well / Flight overnight shit-show luggage carousel /
In the City, going home / Is this a tunnel or is this a fucking catacomb? / Don't let 'em see / What we do / Break the rules /
